Application Instructions
Medical Education Scholars Program (MESP)
2020-2021 Cohort

Your application to the Medical Education Scholars Program must include:

**From the applicant:**
1. A cover letter identifying your name, title and contact information
2. A one-page statement explaining
   - why you are applying to MESP
   - your role in health professions education at the University of Michigan
3. A one-page proposal for an education-related research project you intend to carry out during MESP
4. A copy of your CV

**From your division/department head:**
1. A letter supporting your participation in the Medical Education Scholars Program
   - This letter must include an affirmation of release time for attendance at the weekly Tuesday afternoon sessions from January 5-June 8, 2021
   - Be sure to share your education research project proposal with your chair

**Application Timeline:**
March 9, 2020 – Applications open
July 1, 2020 – Application period closes
August 1, 2020 – Application decisions announced
