**Title:** Alcohol use and social anxiety in college students

**Geoffrey Murphy, Ph.D.**

*Dept.: Michigan Neuroscience Institute, Physiology*

**Title:** The Role of L-type Calcium Channels in.....Everything

**Jack M. Parent, M.D.**

*Dept.: Michigan Neuroscience Institute, Neurology*

**Title:** Stem Cell Approaches to Understanding Genetic Epilepsies

We invite the greater University of Michigan Neuroscience community to join us and participate in our newly launched MNI seminar series. These will occur the second Thursday of each month, from 3:00 – 4:00 PM. Between April and August, we intend to feature multiple data blitz presentations at each seminar, so that neuroscientists campus wide can learn more about each other's science.
