Scan below for CME Credits

You can claim your credit 30 minutes prior to the activity, during the activity, and up to 1 week after the activity. It is crucial that you claim all your credits promptly, at the time of the meetings.

Activity Code: 4115

Please claim your credit when you are done attending the conference. For example, if you are only attending on Thursday, claim your credit on that day. If you are attending both days, please wait until the end of Friday to claim the total hours spent at the activity.

****Note: Grand Rounds have their own QR Code and Activity code to claim credit***
