The Reed M. Nesbit Urologic Society, founded in 1972, holds an annual meeting for urologists who trained or were affiliated with the University of Michigan Department of Urology. It is open to residents, fellows, faculty and interested community urologists. This year’s program focuses on a wide range of urology topics. Dr. Margaret Pearle from UT Southwestern Medical Center will serve as this year’s Visiting Professor.

Target audience: Urologists

After attending this activity, participants will be able to:

1. Identify which diagnostic testing are appropriate for individuals being evaluated for and with urologic cancers.
2. Learn tips and tricks and how to optimize use of endoscopic lasers, endoscopic management including ureteroscopy, and how best to minimize readmission following laser surgery.

The University of Michigan Medical School is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The University of Michigan Medical School designates this live activity for a maximum of 4.5 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
Thursday, October 3, 2019
