MICHIGAN MEDICINE
PEDIATRIC REHABILITATION IS HOSTING...

PARENTS NIGHT OUT!
Thursday, October 19, 2017
6:30-8:00 PM
Pediatric Rehabilitation Center
2205 Commonwealth Blvd, Ann Arbor, MI 48105

WHO?
Parents of babies 12 months or younger and expectant parents.
This event is open to parents of children of all abilities.
Please note that childcare will not be provided at this event.
Please make arrangements for your child/children for this evening.

WHAT?
An evening of conversation and refreshments.
Have an opportunity to ask your questions and share your experiences with your baby's development!

This group will be facilitated by Lindsay Reilly, M.A., CCC-SLP; Sherry Herman-Hilker, PT, MS; Casey Bross, OTD, OTR/L, CLT; and Brittany Shupe-Sawyer, LMSW. These women are therapists at the Pediatric Rehabilitation Center.
They share a passion for early childhood development and for supporting parents during this exciting and challenging time of life.

WHY?
Because we know parenting a new baby brings many questions. Because we know spending time with other parents of small children helps! And because we know you need a "Night Out"

Space is limited! Please RSVP to: shhilker@med.umich.edu
