Propel Careers: Opportunities & Best Practices for Job Searching

Join Propel Career’s Co-Founder and CEO, Lauren Celano, to learn how to define your career path.

Tuesday, March 19th
9:30-10:30
5515 BSRB

Defining Your Career Path: This series provides an overview of life science career options and their requisite skills. Together, these seminars demonstrate how to evaluate and highlight skills for a resume, cover letter and during an interview. Defining Your Career Path seminar series also provides advice on how to gain new skills and experiences to fulfill career objectives.
