

Attention

Emergency Department

Patients & Families

To ensure we have your complete and current contact, primary care provider and insurance information, it is important that you contact our Registration Department after you have checked in. This will also allow you to ask us any questions you may have regarding your insurance or billing procedures.

After you have checked in, please contact our Registration Department:

If using your room phone, dial **6-4990**.

If using your cell phone, dial **(866) 452-9896**.

Please have your insurance cards available when you call.

You can follow your care and receive updates through Michigan Medicine's patient portal. If you (the patient) are new to Michigan Medicine or have been a patient but not already registered in the portal, you can do so at any time.

Visit MyUofMHealth.org to register or log in.

Thank you for your patience as we work to provide you safe, quality care.
