University of Michigan Department of Internal Medicine
COVID-19 Vaccination Policy - Religious and Medical Exemption Request Form

The Department of Internal Medicine is requiring the COVID-19 vaccination of attendees, speakers, sponsors, exhibitors, staff for the Advances in Gastroenterology & Hepatology conference. The COVID-19 vaccination is an important and effective step to return to a more normal Fall 2021 and to protect our community from COVID-19. The Department of Internal Medicine is providing exemptions for medical or religious reasons. If you are requesting an exemption, you must complete this form by January 28, 2022.

Are you requesting an exemption because you have a sincerely held religious belief that prevents you from receiving the COVID-19 vaccine?

Yes / No

If yes, please explain, in your own words, why your religious belief prevents you from receiving the COVID-19 vaccination:

Please attach any supporting documentation relevant to this request (e.g., additional written statement from you, written information provided by a religious/spiritual leader or scholar, etc.).

Are you requesting an exemption because you have a medical condition that precludes you from receiving the COVID-19 vaccine?

Yes / No

If yes, please explain why you are requesting a medical exemption:

Please attach documentation, such as a medical contraindication statement specific to the COVID-19 vaccination, from your healthcare provider in support of your request. Documentation is required and your request will be declined without supporting documentation.

I verify that the provided information is complete, true, and accurate to the best of my knowledge.
