## **Shoulda, Woulda, Coulda: Moving Beyond Failure and Actively Cultivating a More Equitable Academy**

*A theatrical performance by the CRLT players sponsored by DEI @ MNI*

**Thursday September 23<sup>rd</sup>**

**10:00 - 11:30 AM**

**Online Performance and Discussion via Zoom**

This session is appropriate for students, faculty, and staff.

*The CRLT players use theatrical case studies to highlight the ways that lived experiences in higher education differ based on social identities and existing systemic inequities. By centering individuals who are often marginalized in higher education, performances make problematic dynamics and histories visible. In the paired facilitated discussion, participants will consider approaches for disrupting problematic behaviors and increasing equity in various institutional contexts.*

**PLEASE REGISTER HERE**
