Where to report first day of clerkship: 1912 Taubman Center; 8:00 a.m.

On the first day of your Neurology Clerkship, please report to the DeJong Library – 1912 Taubman Center – at 8:00 a.m. for your orientation session. (Directions: Go to the 1st floor of the Taubman Center building, and enter Neurology Clinic “C”. Go through the waiting area and through the long hallway lined with department photos until it dead-ends at a hallway where there is a sign that says “Department of Neurology” and lists faculty names. Turning right; *go past* the hallway on your left. The department library is Room 1912, the third door down on your left; there is a sign next to the door.
