

# Resident Launch Team: Participant Post

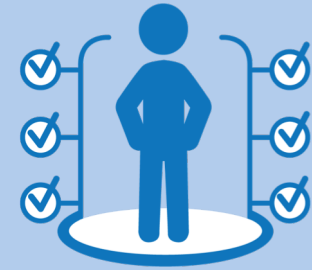

## What Are Launch Teams?

## Why Do Residents Need Launch Teams?

## How Has My Launch Team Helped Me?

- Team-based approach to individualized mentorship
- Modeled after the Faculty Launch Program
- Now includes residents starting their Academic Development Time (ADT)

- Easy to lose sight of the big picture
- Diverse teams of mentors
- Provide critical insights into the uniquely multidisciplinary careers of academic surgeons

- Help me prioritize and make necessary connections
- Key input on national meetings to attend
- Commitment to resident excellence
