

**The Center for Cell Plasticity and Organ Design** alongside  
**The Molecular, Cellular, and Developmental Biology, and  
Ecology and Evolutionary Biology**

Cell Plasticity  
Organ Design | CPOD

ECOLOGY AND  
EVOLUTIONARY BIOLOGY  
UNIVERSITY OF MICHIGAN

MOLECULAR, CELLULAR, AND  
DEVELOPMENTAL BIOLOGY  
UNIVERSITY OF MICHIGAN

are proud to present the following seminar series:

***Variations in Biology***

**Friday, November 19, 2021, at 12:00 pm, ET**  
*"Colors, toxins, and complex phenotypes: Poison-dart frogs  
as an emerging model system for integrative biology"*

**Hybrid Engagement**

BSB 1060 and Zoom: <https://umich.zoom.us/j/98109317710> |Passcode: u6yroHQ7

**Roberto Márquez, PhD**

Assistant Professor

Ecology and Evolutionary Biology

University of Michigan

Faculty Host(s): **Laura Buttitta, PhD (MCDB)** and **Tim James, PhD (EEB)**

For more information/questions email: **Laura Buttitta** [buttitta@umich.edu](mailto:buttitta@umich.edu)
