The purpose of this conference is to provide fundamental information necessary for primary care providers to manage patients with voice and upper airway complaints. This multidisciplinary conference will feature lectures and panels including faculty from otolaryngology, speech pathology, pulmonology, gastroenterology, and GI psychology. Participants will learn practical approaches to managing patients with hoarseness, chronic cough, globus and paradoxical vocal fold motion disorder (PVFM)/vocal cord dysfunction (VCD); this includes when and where to refer, take-home references, and tailored information for their practice.

**Target Audience**
Primary Care Providers, Gastroenterologists, Pulmonologists, GI Psychologists, Allergists, Speech-Language Pathologists, Otolaryngologists, nursing and any professional involved in the care and management of the voice and airway.

**REGISTER ONLINE**
Saturday Conference Fee
Physicians/APPs $175

To register, or for more information, please visit http://bit.do/umvoiceairway.

**Speakers Include:**
- Julie Barkmeier-Kraemer, PhD, *University of Utah*
- Joan Chen, MD, *Michigan Medicine*
- Lucy Finkel, CF-SLP
- Beth Ford Baldner, CCC-SLP, *Michigan Medicine*
- Andrea Hanton, CCC-SLP, *Michigan Medicine*
- Norman Hogikyan, MD, *Michigan Medicine*
- Robbi Kupfer, MD, *Michigan Medicine*
- Kate McConville, CCC-SLP, *Michigan Medicine*
- Robert Morrison, MD, *Michigan Medicine*
- Megan Riehl, PsyD, *Michigan Medicine*
- Marci Daniels Rosenberg, CCC-SLP, *Michigan Medicine*
- Margaret Tiner, CCC-SLP, *Michigan Medicine*
- Bonnie Wang, MD, *Michigan Medicine*

Speakers have provided disclosures regarding relevant financial and non-financial relationships. Please see the registration website for the full list here: http://bit.do/umvoiceairway
Course Objectives
At the conclusion of this course, the participants will be able to:

1. Apply current guidelines for the evaluation of hoarseness to patients in their practice
2. Differentiate patients with upper airway disorders from those with pulmonary disorders
3. Interpret the results of esophageal studies as they pertain to voice and upper airway disorders
4. Explain the interdisciplinary nature of treatment for voice and upper airway disorders to their patients
5. Identify patients with voice and upper airway disorders who require referral to laryngology, pulmonology, gastroenterology, and speech pathology

INTERDISCIPLINARY MANAGEMENT OF THE VOICE AND AIRWAY

The content for physicians and APPs is on Saturday and will include a combined session with speech pathology in the morning and PCP specific breakout sessions in the afternoon. The Friday session is for speech pathologists and trainees only.

SATURDAY 9/21/19

8:00-8:35 Registration and Refreshments
8:35-8:45 Opening Remarks
8:45-9:30 The Laryngologist’s Approach to Upper Airway Symptoms (N. Hogikyan; R. Kupfer; R. Morrison)
9:30-10:10 The Pulmonologist’s Approach to Upper Airway Symptoms (B. Wang)
10:10-10:25 Break
10:25-11:05 Is it Reflux? The GI Perspective on Upper Airway Symptoms (J. Chen)
11:05-11:45 Take a Breath: Insights and Interventions from a GI Psychologist (M. Riehl)
11:45-12:30 Multidisciplinary Panel - Case Studies
12:30-1:30 Lunch
1:30-2:10 Nothing to Sniff at: The SLP Role in Managing Upper Airway Disorders (K. McConville)
2:10-2:50 Waiting to Breathe: Paradoxical Vocal Fold Motion Disorder (B. Ford Baldner)
Laryngotracheal Stenosis: What Every Primary Care Provider Should Know (R. Morrison)
2:50-3:05 Break and Refreshments
3:05-3:50 The Irritable Larynx: Coughs, Clears, and Gasps (B. Ford Baldner; A. Hanton)
Voice Disorders: What Every Primary Care Provider Should Know (R. Kupfer; N. Hogikyan)
3:50-4:15 PVFM, Irritable Larynx, and Chronic Cough: Complex Cases (Ford Baldner; Hanton; Kupfer; Morrison; Hogikyan)
4:15-4:30 Questions and Closing Remarks

Hotel Accommodations
A block of rooms has been reserved at the Holiday Inn in Ann Arbor for a conference group rate of $114 per night, if booked by August 29.
Call 734-769-9800 to book your room. Let reception know you are with the Michigan Medicine Voice and Airway Conference.

Reservations can also be made by visiting http://bit.do/voiceairway-reservations.

Course Directors
Robbi A. Kupfer, MD
Assistant Professor
Department of Otolaryngology-Head and Neck Surgery
Beth Ford Baldner, MA, CCC-SLP
Speech-Language Pathologist
Department of Speech-Language Pathology

Continuing Education
The University of Michigan Medical School is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The University of Michigan Medical School designates this live activity for a maximum of 6.25 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
