

A U/M Medical Student in Ethiopia *Steven Weinberg, M3*

Steven Weinberg, currently third year U/M medical student at Mother Teresa Mission in Addis Ababa, which serves patients unable to receive medical care anywhere else. Steve worked there for six months before starting medical school.

St. Paul's Hospital and Millennium Medical College, where Steven has worked and where U/M Medical School has several training programs.

Teaching a patient how to listen to heart sounds

Assisting at spine surgery in Addis Ababa

This patient received chemotherapy at Black Lion Hospital in Addis Ababa for rhabdomyosarcoma of the sinuses and orbit. He later came to UMHS to receive radiotherapy. He is now healthy and starting 10th grade in Ethiopia.

Patients of Rick Hodes, MD, a pediatrician who has worked for over 25 years in Ethiopia. Steven assisted Dr. Hodes and has made sure that everyone is a Michigan fan!
