Meeting ID: 365 108 168

Password: 011226

Together, we can create a culture where every person is treated with dignity; A culture where all who work, heal and learn at Michigan Medicine feel valued and can thrive.

In preparation of the upcoming virtual townhall panel discussion **scheduled for Wednesday, January 27th at 10:00am** we ask that you read this short book on **Choosing Civility** by P.M. Forni ,Copies available on Amazon (Free with a trial membership to Audible) , or read [The Price of Incivility](#) by Christine Porath and Christine Pearson, Or view this [video](#).

Panelists will respond to audience questions submitted in advance and live during the session. To submit your question in advance, [submit here](#).

WORD OF THE MONTH

In keeping with the Virtual Townhall this month's word is "Civility". *Civility* comes from the Latin word *civilis*, meaning "relating to public life, befitting a citizen," in other words, being friendly and nice to everyone. When you show civility, you use kindness and good manners. You are respectful, even if you do not like that person very much.
