Morphology and Image Analysis Core (MIAC)
Michigan Diabetes Research and Training Center (MDRTC)
Room 6245 Brehm Tower
1000 Wall Street, Ann Arbor, MI 48105-5714

Enter the Brehm Center and head down the ramp and past the receptionist desk. Near the end of the lobby will be Elevators to the Brehm Center (do not take patient elevators near the entrance). Take the staff elevators to the 6th floor. Following the yellow path on the map below, exit the elevators and walk around them to enter the main hallway. Proceed toward the glass wall ahead walking past a stairway that leads down to the 5th floor. Enter the research area through the glass door (ID access card reader) and turn towards the right. The entrance to the MIAC is the first door on the right-hand side just beyond tan-colored air conditioners.
